Expenses	4,485.61
Ending Balance	\$47,892.98

The Bluetooth card readers have arrived.

Solo has \$3436 in card charges that have not been reapportioned yet.

SOLO REPORT: Dan Sabol and Joe Montuoro

Solo's charges are for things like chalk, hand sanitizer, Clorox Wipes and pens.

We have rescheduled three events to August first, October third and October thirty-first. We have not moved May 31 or cancelled the Starting Line school. We will reduce the maximum number of drivers if Beaver County is still yellow. We are not going to promote it until we know. If we don't run it 5/31 we will either cancel or do a Test & Tune.

Joe says nobody is buying season passes at the old level, and the 30 we have now is usually 60. Five or ten more would be nice. The National schedule is completely FUBAR.

ROAD RACING REPORT: Gene Kern

A draft of the SuperTour schedule has been sent out. PIRC is holding a Test & Tune on the 27<sup>th</sup>, we go on the 28<sup>th</sup> and 29<sup>th</sup>. We need 141 to break even. Social activities are yet TBD. What will be required regarding food and sanitation? Paula says Pam would know, but Gene says she is closed. Maybe we should give out neck gaiters instead of t-shirts (\$10 @ Shirts 101 website). How about cloth masks with our logo at about \$7? T-shirts are \$12-15. Coyote may be able to get a better price. Mike suggested that Chris should call Roger for prices at a quantity of 300. Solo wants some too (gaiters + 100 masks). We should price with and without logos.

Gene asked if we want to call the SuperTour The Cumberland – consensus was yes.

PIRC is holding a date for our Regional Of 10/31-11/1. Do we want it? Discussion said we do not. A roll call vote was 9 for NOT having an event, 2 for the event, and 2 abstaining.

TRACK TRIALS/HILL CLIMB: Rick Terrill

Summit Point is to open 5/23-24 – an announcement is planned for the 18<sup>th</sup>.

TNIA is on hold before June.

PIRC has cancelled everything before the 11<sup>th</sup>.
