SOLO – Dan Sabol

Randy Pobst came to the event in July. Solo had back to back events and did ok. The solo program seems to have broken even so far this year. Not as many drivers at the last event due to restrictions on number of drivers (Covid 19).

No decision has been made about the Pro Solo event. The meeting is tonight. (See below)

Dan is going to another solo event in the next few weeks

MEMBERSHIP – Jeff Hutzelman

We have 474 Members

RALLY - No report

Update from Don Baker. Chuck L cancelled the August 15-16 National Rally.

TRACK TRIALS – Rick Terrill

Shenandoah – Labor Day weekend At Summit Point. Rick needs a check for \$5,482

Beth needs waivers and weekend membership forms for the Super Tour from Dan Sabol.

ROAD RACING – Gene Kern

88 entries as of today for our Super Tour.

Food from PJ Catering – Box lunches for lunch - \$9. Boxed dinner \$12. We have 3 different choices. How much food do we order for our workers? Bill Haus suggested ordering about 80 lunches. Paula is going to order a mix of the boxed dinners. There was some discussion about eliminating the dinners. It was decided to eliminate the dinners.

Meichelle Connolly needs to update Motorsport.reg. There are some errors in their system. Meichelle corrected them as we talked.

Neck gators will be delivered next week to RPC Video from Roger Friday. Chris Granche will arrange for them to get to the track.

Bob Albert – driver requested moving a car to a different class. The decision will be made at the national office. Another driver wants to run in different classes on different days. The driver may have to pay another registration fee and have 2 different car numbers.

We have 2 safety cars thanks to Mike Connolly.

Paula wants to have a Chiefs meeting on Thursday before the event.

We need approximately 120 cars to break even.

The Nelson Ledges event got 40 more entries the week before the race. Many of the other races got an influx of drivers just before the event.

Are the Pitt Race Drifters still going to be at the track August 15? We have a Solo event scheduled the same weekend.

Registration for the weekend?? Beth & Meichelle are working on a plan to make Registration safe for everyone. Hand sanitizers are hard to find. Do we just give everyone who registers their own pen?

Chris Granche is concerned about the low number of workers. We don't have many signed up.

OLD BUSINESS

The Nelson Ledges event went ok. No real issues per AJ. Paula said it was a good training event.

NEW BUSINESS

None

The Solo Nationals were cancelled per Dan Sabol. Word just came in.

Chris Granche moved to adjourn the meeting, Gene Kern 2nd. Meeting adjourned at 9:04 PM
