Assistant Regional Executive Bill Haus convened the meeting at 7:30 PM. .

A motion (Terrill/Kern) to approve the minutes of the March meeting as published passed 7-0-1 (Baker)

MEMBERSHIP: Bill Haus

We currently have 658 members, 17 new members, and 20 expiring memberships. Last month there were 645 members. We now have 1011 in the Gallery list (including family members) versus 997 in March.

SOLO: Joe Montuoro

We had a Test & Tune last week that was sold out (60 x \$65=\$3900), but someone killed our timing box so we had to order a new one. The next T&T is April 15th. Our first event is April 29 with the Road Race and because they are combined we both get a 10% discount on the insurance.

Our new FM speaker works! The Pronto system is tested and IT works.

There is now designated place to park trailers in the grass near the South paddock.

We have not done anything with the trailer. Walt found the registration for one trailer, but we have to check to see which one it is. It could be Solo or Racing. The other registration is MIA.

TREASURER: Gene Kern

Gene delivered the current report. A copy is attached to the archive copy of these minutes.

Our obligations amount to \$111,080 right now.

We have paid Xtreme Xperience.

TRACK TRIALS/HILL CLIMB: Rick Terrill

Registration for the Trials event with the Majors race has been open since March 14th, and so far there are ten entries.

RALLY : Don Baker

Blue Ridge Mountain has a rally coming up Sunday March 16th starting at Bella Luna in Murrysville.

Registration opens at 12, first car off at 1PM.

Our National events April 29/30 could use checkpoint workers.

HISTORIAN: Don Baker

Pat Prill, Passed away at age 84. She was well known from Nelson Ledges.

OUTREACH: Coyote Black

Coyote has been working on the possibility of getting vendors like Dan Denahey did at our events.

However, discussion pointed out that we have non-spectator events which means few potential customers for them Spectator events bring liability/insurance issues.

ROAD RACING REPORT: Bob Albert

4/27 Test day at PittRace - need volunteers

4/29-30 Majors at PittRace - 51 entries so far, and 10 for the Trials. Break even is 110 with 20 at the Trials. Some people are coming from DC Region because they put it on their website and broadcast it.

There will be a Chiefs ZOOM meeting Monday at 7PM.

OLD BUSINESS:

The Solo trailer has not been fixed, and the brakes are probably frozen. No quote sought as yet.
Kandi Kaplan came before the meeting to accept the plaque for The Northeast Division Brian Holtz Memorial Trophy that was awarded to Barry.
Have we moved web hosting to Google?

NEW BUSINESS:

Schedule cards?
File cabinet for archives?
Covering dues for elected BOD members?
Shadowing our workers to show potential workers what we do?

A motion (Granche/Albert) to adjourn was approved 8-0-0 at 8:20 PM.

Respectfully submitted by

Walt Matenkosky, Secretary, Steel Cities Region, SCCA
